

# About Us

We are a small business just getting started and would like to share our passion for crafts and woodworking with everyone. This is something that I have wanted to do for a long time, and with the support of my wife, together we have made this a dream come true. We greatly appreciate your business and your word of mouth helps get our items out there for everyone to see. Thank you for your support!

Chad and Kristi Hamblen  
CK Lil Bit Of Everything

Quality laser and wood craft items that can be customized for all your needs. We also have hats and other apparel that can be customized.
